**To: ALL REGULAR AND ASSOCIATE MEMBERS**

**Subject: IMMIGRATION SEMINAR**

**Ladies and Gentlemen:**

Do not miss this important educational seminar. There has been a recent rash of “raids” at construction sites in the state, regarding the employment of illegal aliens. LAGC Attorney Russ Wray will conduct a seminar on How to Protect Yourself from such instances.

How can a contractor be protected from hiring illegal aliens? How can a subcontractor do the same? What protection does a prime have from a sub? Is E-Verification the answer? What should I do if authorities show up at my construction site?

COME LEARN HOW TO PROTECT YOURSELF. The only cost associated with the seminar will be the price of your lunch. Please RSVP to insure that we have a proper headcount. Be sure that your firm is represented at this meeting!

The meeting will be held at The Cajun Landing Restaurant  
Wednesday April 21<sup>st</sup>, 2010 at 12:00 noon
